2017 ASCO Virtual Career Fair

Benefits to Employers

Employers will benefit by having the opportunity to screen and chat with qualified job candidates without incurring all of the expenses related to travel. Furthermore, employers will have access to detailed reports of candidates, resumes and chat transcripts and will have the ability to promote their organization's numerous career opportunities while at the same time increasing brand awareness through the myriad options available in two different Virtual Employer Packages.

Benefits to Job Candidates

Candidates will also benefit by not incurring travel expenses to attend the virtual event. Candidates will have access to managers and recruiters from leading oncology healthcare organizations who are actively seeking to hire qualified oncology professionals. Registration will be free to all attendees and they will be provided with a truly interactive experience with potential employers in real time.
